'Honouring Innovation. Powering Digital Progress'

## What are the Excellence Awards About?

The Digital Health Excellence Awards 2025 recognize hospitals that are redefining care through digital innovation – from EMR, CDSS, Telemedicine, RPM etc. The awards highlight patient-centric digital innovations that improve accessibility, engagement, and overall healthcare experience.

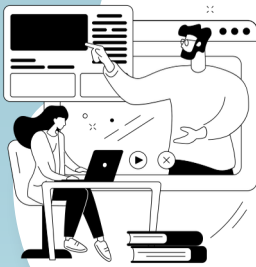

### Digital Transformation in Healthcare

Recognizing hospitals that have effectively implemented digital technologies to enhance patient care, streamline operations, and improve overall efficiency.

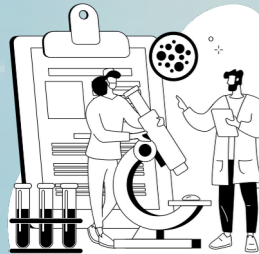

### Patient-Centric Digital Solutions

Hospitals implementing patient-centric digital solutions like portals, apps, telemedicine, and remote monitoring to enhance engagement, accessibility, and satisfaction.

### Digital Health Training

Hospitals investing in training healthcare professionals through NABH Digital Health Foundation Course & POI for better healthcare delivery.

### Digital Health Buddy Awards

Hospitals mentoring other healthcare facilities to adopt digital health solutions for enhanced patient care.

Join us in spotlighting the  
pioneers shaping the future of
