

National Accreditation Board for Hospital & Healthcare Providers

Primary Health Centre Accreditation Programme

Accreditation Procedure

Introduction to NABH: National Accreditation Board for Hospitals and Healthcare Providers (NABH) is a constituent board of Quality Council of India (QCI) which is established with a vision to be the apex national healthcare accreditation and quality improvement body, functioning at par with global benchmarks. NABH as an organization is accredited by the International Society for Quality (ISQua) and is an institutional member of ISQua and ASQua.

Primary Health Center Accreditation: Stronger primary health care is essential to strengthen systems at community and peripheral health facility level and realize the dream of universal health coverage. With this in mind, NABH has developed relevant and accessible quality assurance standards for primary health care centers'.

The standards are developed in natural alignment to the Hospital Standards, but with a community focus

Benefits of Accreditation:

- ❖ Improved Level of Community Confidence and Trust
- ❖ Quality And Patient Safety Into Focus
- ❖ Roadmap for Standardization
- ❖ Patient Centered Culture
- ❖ Systems Oriented Approach
- ❖ Improved Patient Satisfaction Levels
- ❖ Improved Health Outcomes
- ❖ External Recognition
- ❖ Enhanced Reputation

Outline of sections:

- ❖ IPHS standards
- ❖ Process standards
- ❖ Governance standards
- ❖ Outcome standards

The standards are developed in natural alignment to the Hospital Standards, but with a community focus
